SAN PITCH RIVER DISTRIBUTION SYSTEM

**** 1980 WATER ASSESSMENT ****

\$ 4,800.00

FORWARD:

The 1980 Annual Water Users Meeting minutes state that \$ 4,800.00 is to be assessed to all water users for the year of 1980, based on the Commissioner's annual report of water used during 1979.

BASIS OF ASSESSMENT:

The total amount of water delivered during 1979 as reported by the Commissioner is in the amount of 38,389.00 acre-feet. Therefore, the total amount of the assessment of \$ 4,800.00 divided by 38,389.00 ac/ft equals \$ 0.12503582, cost of one pro-rata acre-foot of water which multiplied times the amount of water as reported by the Commissioner as used during 1979 equals his or her 1980 Water Assessment.

PROOF:

\$ 0.12503582 times 38,389.00 ac/ft equals \$ 4,800.00
